

To be eligible to attend any JYFL event, practice or game, parents must ensure a “no” to each question below:

### **Section 1: Symptoms**

1. Has your child had any fever (over 100.4F) within the last 48 hours?
2. Has any medication been used to reduce a fever in the last 24 hours?
3. Does your child have a new cough that causes difficulty breathing (for students with chronic allergic/asthmatic cough, a change in their cough from baseline)?
4. Does your child have a sore throat?
5. Does your child have diarrhea, vomiting, or abdominal pain?
6. Has your child had difficulty breathing in the last 7 days?
7. Has your child lost their sense of taste or smell?
8. Does your child have congestion and/or a runny nose?
9. Does your child have a headache or muscle/body aches?

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

### **Section 2: Close Contact/Potential Exposure**

Close Contact is someone who was within 6 feet of someone who has tested positive for COVID for cumulative total of 15 minutes or more over a 24—hour period.

10. Has your child had close contact with anyone who has a confirmed case of COVID-19 in the past 14 days?

Parents: If you answer “yes” to any of the questions above, we ask that your child be kept home and that you notify us at [info@juneaufootball.com](mailto:info@juneaufootball.com).

In general: If you answered “yes” then please quarantine for 7 days, and take a test on or after the 7<sup>th</sup> day. After day 7 and a negative test result you may return. You may return after 14 days if you have not tested and had no symptoms.

11. Is there anyone in your household that has COVID-19 symptoms and is awaiting test results, OR has symptoms and has elected not to be tested?

Parents: If you answer “yes” to #11, please notify us at [info@juneaufootball.com](mailto:info@juneaufootball.com) for more info before sending your child to any JYFL activity. If there is a positive COVID case within your household, then quarantine time may be extended.
